DEADLINE:

FINAL ENTRY: 1st AUGUST 2018.

This event will incorporate a full programme of individual and synchro events. Individual events will consist of 1m, 3m and Platform. There will be four synchro events (3m, P/F, same gender and mixed).

Each synchro team will consist of two divers, who need not be members of the same national federation. Any diver who wishes to dive in the synchro events, but does not have a partner, can enter singly, paying the entry fee of 15 Euro, which will not be refundable. Such divers will then be placed in a pool of divers, whose names and contact details will be made available to other entrants. Divers may then make their own arrangements to team up with another and enter the relevant synchro event as a team. Entering the synchro event(s) singly means that you give permission for your contact details to be made available, as above.

Dive Tests will be the same as for the FINA World Masters Championships.

The hotel's location is ideal for the traveller who enjoys being close to the hustle and bustle of the city, but also likes the calm and privacy of a beach vacation. The private beach and indoor swimming pool with heated seawater belonging to this hotel in Opatija are major draws for the economy accommodation, which has 130 rooms. The balconies in Istra's superior rooms provide unmatched views of the sea, exactly what you would expect from a hotel built so close to the water. The beachside bistro and outdoor terrace supply perfect spots for casual dining or a place to get a cold drink. Local, fresh seafood and an extensive wine list highlight the menu. Again, the wondrous sights of the sea add a level of radiance to the experience.

Exuding style, Remisens Premium Grand Hotel Palace (4*) in Opatija, ex. Remisens Hotel Palace Bellevue, is a historic property located in the center of Opatija. The hotel is an elegant structure, boasting classy interior, high ceilings and unrivaled Adriatic Sea views in its 196 rooms and suites. Visually stunning, the hotel rises above and stands out along Opatija's main street, creating a skyline worthy of landmark status in the city. As of 2016, the Remisens Premium Grand Hotel Palace will become a flagship of the Remisens brand on the Opatija Riviera. New investments include refurbishing hotel rooms and common areas in line with the hotel's elegant neo-baroque style, the opening of a new wellness centre, and expanding and improving the quality of all services. The Remisens Hotel Palace Bellevue proudly announces changes that will make it an even better choice for an unforgettable holiday by the sea. In 2018, this architectural jewel of Opatija will become a member of the Remisens Premium brand and change its name into the Remisens Premium Grand Hotel Palace. This means an expanded and increased quality of service, additional benefits in Premium accommodation units, and a Tesla Destination Charger for electrical vehicles.
