

September 2021

Dear Diving Colleagues,

The GBDF invites you and your divers to attend the next Junior Novice and Intermediate event which for the first time will include an Advanced category. This event will be held within the "Leisure At Cheltenham" facility. The competition date is Saturday 20th November 2021.

The leisure centre itself is just on the outskirts of the town with ample free parking and has plenty of spectator accommodation. You will find some accommodation suggestions, should you require them, with this entry pack.

Although an older style pool, the diving pit is deck-level. There are two 1m boards, a single 3m and a 5m platform. In competition, poolside dives will be performed from deck level.

As in previous events, I would ask coaches to please make sure that they enter their divers, and subsequently, their dive sheets **on time** and in the competition that is appropriate to the diver's level of ability. Novice is for just that, divers at the beginning of their journey in the sport and that would include divers who have competed at National Skills.

Intermediate is for divers aiming to progress towards National Age group events and as such should be a stepping stone between Novices and Age Groups. They are divers for whom Novice conditions are not a challenge but who would find a full Age Group list rather too difficult at the present time.

We have included an Advanced event this year for divers beyond the intermediate level, wanting more competition practice. This will give these divers a chance to compete for medals rather than as guests as in previous years. The Advanced event is open to all.

Please take note of the clarification added to the conditions regarding springboard approach/take-off and the Forward Sitting Roll kick out option.

An event schedule will be compiled once all entries have been received.

I look forward to seeing you all in Cheltenham on Sat 20th November for another fun, enjoyable and competitive GBDF Novice/Intermediate and this time Advanced Championships.

Naomi McBane

Junior Novice Director
